

Vtours is one of the leading “virtual tour operators“ in Germany. Founded in 2004, the Aschaffenburg-based company established itself successfully in the travel industry by pioneering dynamic production of travel offers. Vtours ranked 20th in the fw*-list on market share in the touristic year 2008/09 and employs 80 staff.

Vtours products can be booked using established Internet sites and travel agencies, mostly under the brand name of the distribution partner. Agencies have access to the Vtours travels through Amadeus (Toma) and Sabre (Merlin) as well as Bistro Portal, the TravelTainment IBE. The product portfolio currently contains 4.500 hotels in the short to medium-haul and 1.500 hotels in the long haul covering 70 countries.

Since November 2008, under the brand “Urlaubstransfers“ Vtours offers transfer-only services to target destinations. On the homonymous Internet portal www.urlaubstransfers.de, transfers can be booked to more than 30.000 hotels in over 175 destinations. New offers include transfers to the cruise liners of TUI Cruises “Mein Schiff“ and AIDA Cruises.

Furthermore, Vtours operates as a service provider and technical adviser to other travel agencies, inter alia for the generation and fulfilment of the dynamic products of Rewe-Touristik Tjaereborg Indi and ITS Indi (XTJA and X-ITS)
